CECOM's IETM Tools, Utilities

And other fun stuff!

Tools

- CENTRA2000 – now named Konfig CM
- powerLOG
- Epic Editor (version 4.3 now available)
- ADSS Automated Decision Support System
- SiberLogic Training Module (coming soon?)

CENTRA 2000

- Product Data Management
- Repository
- Object Oriented Database
- Runs on top of Oracle
- Soon to be web enabled

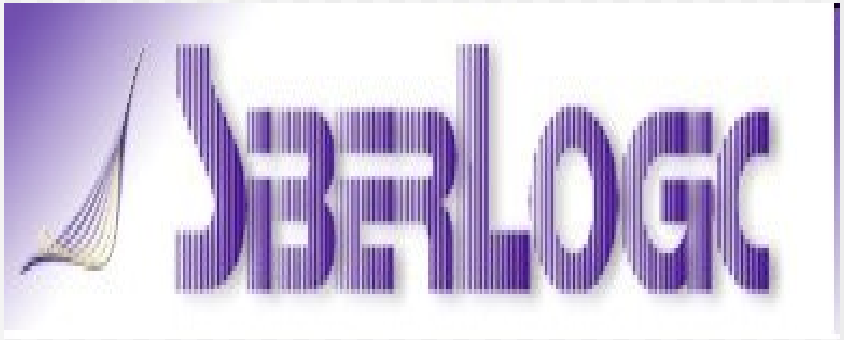
powerLOG

- Import LSA RPSTL data
  - 036 Reports
  - 1388-2A
  - 1388-2B
  - 1552
- Output XML
- Use XSL to create a RPSTL per CECOM 2361A DTD

ADSS

- Web Application to build IETM SOW
- Java Server Pages
- Interactive

Siberlogic



- A CMS system used at Picatinny Arsenal
- Proficiency with SCORM objects led to development of a plug-in training module and associated DTD
